Yankee Baleeiros!

The Shared Legacies of Luso and Yankee Whalers

From Massachusetts to California, the New Bedford Whaling Museum is proud to share the experiences of Lusophone (Portuguese-speaking) communities through a traveling exhibition. *Yankee Baleeiros!* is an engaging, in-depth exploration of the Azorean, Brazilian and Cape Verdean movement in the United States from early immigration in the 18th century through the latter half of the 20th century.

NEXT STOP: Cabrillo National Monument | January 25 – April 12, 2015
