

March 18, 2020

Dear Cabrillo Under the Stars Supporters, Partners, & Friends:

On behalf of the Board of Trustees, I am writing today to provide you an update about our annual fundraising event, Cabrillo Under the Stars. This is such a trying time for all of us and the Foundation hopes that you, your families, colleagues, friends and loved ones are safe and healthy. Like you, the Foundation is adhering to the guidelines made by public health and government advisories, including their recommendations on social distancing and gatherings.

As a result of COVID-19, we have made the difficult decision to postpone Cabrillo Under the Stars, which was slated for May 16. This decision was ultimately to protect you – our valued supporters. The Foundation will resume operations and reschedule Cabrillo Under the Stars as soon as it is safe to do so. With your support, we expect it to be better than ever.

We appreciate the enthusiasm you have contributed to this year's event and hope you will continue that energy and support. We look forward to celebrating with our fabulous sponsors, local food establishments, vintners and craft breweries and the community we serve when the time comes. We will continue to recognize the collaborations on the event webpage so you can show your support to them when operations resume for all.

If you have already purchased tickets, you will surely want to attend the rescheduled event, and your tickets will be fully honored. If a refund is desired, we will provide upon request before April 30. We welcome all support in the form of memberships, donations, and participation in Cabrillo Under the Stars and other Park activities.

As many of us remain home, we hope that you will consider getting outside and visiting your local National Park, Cabrillo National Monument, for fresh air and open space. In order to stay connected, Like us on Facebook.com/cnmfoundation, Follow us on Instagram @cnmfoundation, and visit www.cnmf.org for more information.

We appreciate your understanding, patience, and continued support of the Foundation and Cabrillo National Monument. We are so grateful to have you part of our Foundation family and hope to see you soon. Thank you.

Take care and be well,

Emily M. Moore
