Cabrillo National Monument News Release

Release Date: July 6, 2020

Contact: Elizabeth Skinner 619-523-4280 Elizabeth_Skinner@nps.gov

Cabrillo National Monument Open Until 8 P.M. for Sunset During July Weekends Starting Friday, July 10

San Diego, CA – Beginning Friday, July 10, Cabrillo National Monument will be open from 9 a.m. until 8 p.m. on Fridays, Saturdays, and Sundays in July. The tidepool area will be open on those days until 7:30 p.m. The normal operating hours, 9 a.m. to 5 p.m., with the tidepool area closing at 4:30 p.m., will still be in effect Mondays through Thursdays. The exclusive extended hours on Fridays, Saturdays, and Sundays will provide increased access for visitors to enjoy spectacular views of the Pacific Ocean and San Diego during sunset.

Cabrillo National Monument is opening in phases. In the current phase, all outdoor areas, trails, and restrooms are open. Indoor areas, including exhibits, the Visitor Center, and the Old Point Loma Lighthouse, are temporarily closed to comply with guidance from the White House, Centers for Disease Control and Prevention (CDC), and state and local public health authorities.

Junior Ranger books and badges, maps, and visitor information are available at an outdoor station located next to the Visitor Center. A ranger is on duty every day from 11 am to 3 pm to offer the Junior Ranger program.

While outdoor areas are accessible for visitors to enjoy, a return to full operations will continue to be phased and services may be limited. When recreating, the public should follow [local area health orders](#) to keep six feet away from people who are not members of your household, to have a face covering ready and wear it if you come within six feet of other people, practice [Leave No Trace](#) principles, and avoid crowded areas.

The [CDC has offered guidance](#) to help people recreating in parks and open spaces prevent the spread of infectious diseases. We will continue to monitor all park functions to ensure that visitors adhere to CDC guidance for mitigating risks associated with the transmission of COVID-19 and take any additional steps necessary to protect public health.

Updates about current conditions are available on our website www.nps.gov/cabr and social media channels. Annual park passes can be purchased online at <https://www.nps.gov/cabr/planyourvisit/fees.htm>. Day use passes and national park passes are available for purchase in person at the park entrance.
