Cabrillo National Monument Foundation's Above the Fireworks

(San Diego, CA) – In cooperation with the Cabrillo National Monument, Thursday evening, July 4, 2019, Cabrillo National Monument Foundation will celebrate Independence Day with a firework viewing event. Attendees are encouraged to bring family and friends, a picnic, enjoy San Diego's only National Park after hours, and view the spectacular fireworks from around San Diego County. In 2018, attendees watched 13+ firework shows all from Cabrillo National Monument.

Above the Fireworks is one of the Foundation's fundraising events. The money raised by this event is used to support the Park's historical, educational, scientific and interpretive programs. This year's proceeds will support programs such as the Cabrillo Community Outreach Initiative (a program which takes the Park's science and educational programs into the communities where underserved children live), EcoLogik (a science and technology summer camp specifically targeting underserved girls) and Conservation + Comics (a new youth program centered around art and conservation efforts). Without the funding provided by the Foundation through events such as Above the Fireworks, the Park could not sustain these types of youth programs.

Pass the word on to your family, kids over 21, friends & neighbors. Purchase your tickets today at www.cnmf.org!

We invite the media to the Park to pre-cover the event or attend the event and do live shots. We are also happy to help build media packages with interviews. Contact us today for the opportunity of broadcasting from Cabrillo National Monument after hours!

WHAT: Above the Fireworks

WHEN: Thursday, July 4, 2019, 6 – 10 p.m.

WHERE: 1800 Cabrillo National Monument, San Diego CA 92106
