CABRILLO NATIONAL MONUMENT FOUNDATION INVITES THE PUBLIC TO CABRILLO UNDER THE STARS FUNDRAISING EVENT MAY 18

Contact: Emily Moore, 619-523-4255

San Diego, CA: Members of the general public are invited to an important fundraiser on Saturday evening, May 18, 2019, "Cabrillo Under the Stars". The money raised by this event will be used to support the Cabrillo National Monument's historical, educational, scientific and interpretive programs. This year's proceeds will support programs such as the Cabrillo Community Outreach Initiative (a program which takes the Park's science and educational programs into the communities where underserved children live), EcoLogik (a science and technology summer camp specifically targeting underserved girls) and Conservation + Comics (a new youth program centered around art and conservation efforts). Without the funding provided by the Foundation through events such as Cabrillo Under the Stars, Cabrillo National Monument could not sustain these types of youth programs.

The ability to enjoy the Park "after hours" with its spectacular sunsets and night-time views of San Diego and the Bay is a rare treat for anyone. Attendees will enjoy live entertainment, local fare from popular San Diego restaurants, craft beer/wines provided by local San Diego brewers/vintners, and "fun"raising activities that have a big return for you and the youth of San Diego County.

Tickets can be purchased at www.cnmf.org. We encourage the public to follow our Facebook page for updates and for more information.
