

CABRILLO FOR THE STARS

Fund-a-Need

PARK DISCOVERY

Park Discovery includes physical interpretive installations and public educational programs highlighting park assets, notably its tidepools and the iconic lighthouse. This category comprises a little more than half of the current year aid budget

FUNDRAISING GOAL: \$30,000

YOUTH EDUCATION

Youth Education includes Junior Rangers, Science Explorers Club, Conservation+Comics and the signature Ecologik program of STEM learning for secondary school-age girls. This category makes up about one third of the current year aid budget, with Ecologik being the largest single program that the CNMF funds.

FUNDRAISING GOAL: \$20,000

VOLUNTEER SUPPORT

Volunteer Support includes funding for events, equipment, interpretive costumes and daily uniforms used by the 200-member Volunteers in Parks program. This category represents about ten percent of the aid budget.

FUNDRAISING GOAL: \$20,000
